model： OPS5

OPS Specification

Product Features ：

- Supports intel 11th generation processors;
- OPS interface supports up to (3840 × 2160@60HZ) outputs ;
- Support one-click system restore ;
- TPM2.0 function as standard.

intel Type-c 4K WIFI HDMI

Product Specification

Standard Spec	CPU	Intel® Core™ i5-1135G7
	graphics card	Intel® Iris Xe Graphics
	memory	DDR4 8G
	Storage	1*M.2 2280 256G SSD
	WIFI	2.4G WIFI module (dual antenna as standard)
I/O Port	button	1*Power On/Off Button
		1*Reset （Short press to reboot, long press to clear CMOS）
		1*Restore button
	audio interface	1*audio output,1*microphone input
	display interface	1*HDMI(Maximum support 3840*2160@60HZ) ， 1*DP(Maximum support 3840*2160@60HZ)
	network port	1×RJ45 10/100/1000M network card
	USB interface	1*Type-c USB
		3*USB3.2 3*USB2.0
OPS Interface	OPS80pin interface	1*HDMI 2.0 （Maximum support 3940*2160@60HZ）
		1*USB3.0/2*USB 2.0
physical parameter	Dimension of the whole machine	195x180x30mm
	weight	1.5kg
Power Requirements	Power	DC 12V-19V 5.5*2.5MM
		OPS80pin Interface power supply
Environments	operating temperature	0~40°C(32~104°F)
operating system	standard system	Win10/Win11
attachment	accessory	2*WIFI antenna bars
