Schematic Diagram Of Main Unit

1. Power on/off
2. Power indicator
3. EXPAND INPUT (IN: to the previous main unit or extension power supply, EXT: to the next extension power unit)
4. EXPAND OUTPUT: Six output line for connect microphone, and each line with power control.
5. Power AC 220V/50Hz

Technical Parameters

Power supply: 220VAC 50/60Hz Output Voltage: 24VDC
Maximum power consumption:350W
Connection:8P-DIN cable
System outlets: 8P-DIN x6
Dimension:483x88x360mm,2 U rack 19
N.W: 6kg
